

Date: November 12, 2002

To: Federal Communications Commission

Subject: 02-278

Position: DO NOT change our Indiana Telephone Privacy Law

Comments:

1. The FCC should not implement any proposal that will lessen Indiana's Telephone Privacy law protections.
2. Indiana's Telephone Privacy law has definitely improved our privacy time at home.
3. We experienced an immediate decrease in unsolicited calls after the law went into effect.
4. Perhaps you should consider the Indiana Law as a template for a national standard.
